RE: Spectrem 2- Green Building Product Information (LEED® Information)

Tremco, as an organization, is committed to quality, responsive to both internal and external customers, our employees, our community and environment, and we will treat all with respect and good stewardship.

Tremco Inc. certifies the following information for Spectrem 2

Regional Materials:

Spectrem 2 is manufactured in Toronto, Ontario, Canada.

No single extracted material is used to produce the majority of this product. Additionally, all raw materials come from one of several sources which in-turn come from one of several raw material feed stocks. As such, point source for the raw materials cannot be determined.

Recycled Content Information:

Recycled content for Spectrem 2 is not available, and for the purposes of LEED reporting should be assumed to be zero.

VOC Content Information:

Spectrem 2 has a VOC content of 42g/l equaling 3% by weight as applied/mixed.

Additional Information:

Should you have any questions or require additional information, please do not hesitate to contact Technical Services or your local Tremco Field Representative.

Sincerely,
